Invitation to the 22nd Annual Meeting of Asian Association of Veterinary Schools (AAVS)

Dear AAVS Members and Colleagues,

On behalf of AAVS Executive Committee Members, it is my great pleasure to invite you to the 22nd AAVS Meeting (Hybrid style) from 26 (Saturday) to 28 (Monday), October 2024, organized in conjunction with 23rd Federation of Asian Veterinary Associations Congress (FAVA 2024), hosted by the Korean Veterinary Medical Association in Daejeon, Korea from October 25 (Friday) to 27 (Sunday), 2024. The FAVA Congress website can be accessed via <https://www.fava2024.org/>.

We are currently in the process of organizing a series of events spanning three days. Firstly, the AAVS Executive Committee meeting is scheduled to take place on October 26th. Subsequently, on October 27th, the main focus will be on an in-depth discussion concerning veterinary education in Asia, the Kei-ichiro Maeda Memorial T&C Award ceremony, and a session dedicated to veterinary education research. Notably, this year, we will welcome students from veterinary schools across various Asian countries who will actively participate in discussions regarding veterinary education practices in each respective country. On October 28th, the participants who are physically joining the annual meeting will have the opportunity to visit Seoul National University College of Veterinary Medicine (SNU CVM), where we will hold the SNU CVM cabinet meeting and take on a tour of the veterinary medical teaching hospital and simulation laboratory, providing insights into various clinical educational practices. Updated schedule will be posted on the AAVS website in due course.

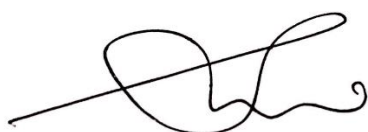

To join physically, the group registration fee is \$200 and allows you to participate in AAVS meetings and all FAVA Congress events except for Gala Dinner and Screen Golf Tournament. Those who wish to register through AAVS must notify AAVS of their intention to participate by completing [this online registration form](#) (click to access) by **July 28th 2024** and make the payment to AAVS by **September 1st 2024**. Later registration is possible via FAVA event page but the [fee will be higher](#). Participants are responsible for arranging their own travel and accommodation and paying related costs.

To join virtually, you will be invited to register via a Zoom registration link, which will be sent to you 1-2 months prior to the event. There will be no fees to join the AAVS meetings remotely on October 27th 2024.

If you have any questions about the meeting or need personalized invitation letter, please contact AAVS Office at aavs_cong_2024@aavs.jpn.org.

Thank you for your cooperation. We are looking forward to all of you joining us in Daejeon and Seoul in October 2024.

Je Kyung Seong, DVM, PhD, DKCLAM
