3. Veterinary Education

1. Improve the quality and status of veterinary education member countries.
2. Provide assistance to all FAVA member countries to educational standard of veterinary education.
3. Collaborate with Asian Association of Veterinary School (AAVS) or other regional veterinary school association to develop a common self-assessment tool for veterinary colleges.
4. Exchange of experts among member countries to develop CPD programmes, training and seminars

I'm a professional ... don't try this at home.

FAVA STRATEGIC PLAN IMPLEMENTATION PROGRAM ON VETERINARY EDUCATION

Improve the quality and status of veterinary education of member countries

- 1) Increase engagement, collaboration and exchange between Veterinary Education Establishments (VEEs) and other related organisations in member countries.
- 2) Establish an educational platform and consider sustainable veterinary education.

Assist all FAVA member countries in strengthening veterinary educational standard.

- 1) Share the information on the veterinary educational standard in the USA, EU and Australasia.
- 2) Support the harmonisation of veterinary education in Asia.
- 3) Establish a cooperation platform with ASEAN Veterinary Statutory Body Network (AVSBN).

Develop a common self-assessment tool for veterinary colleges with the Asian Association of Veterinary Schools (AAVS) or other regional veterinary school associations.

- 1) Share the information on veterinary education in each country.
- 2) Establish a cooperation platform with AAVS.
- 3) Establish a cooperation platform with the regional veterinary school associations in member countries.

Develop Continuing Professional Development (CPD) programmes training and seminars by exchanging experts among member countries.

- 1) Investigate the current status of CPD in each member country.
- 2) Share information on the possibility of providing CPD implemented by each country to other FAVA member countries.

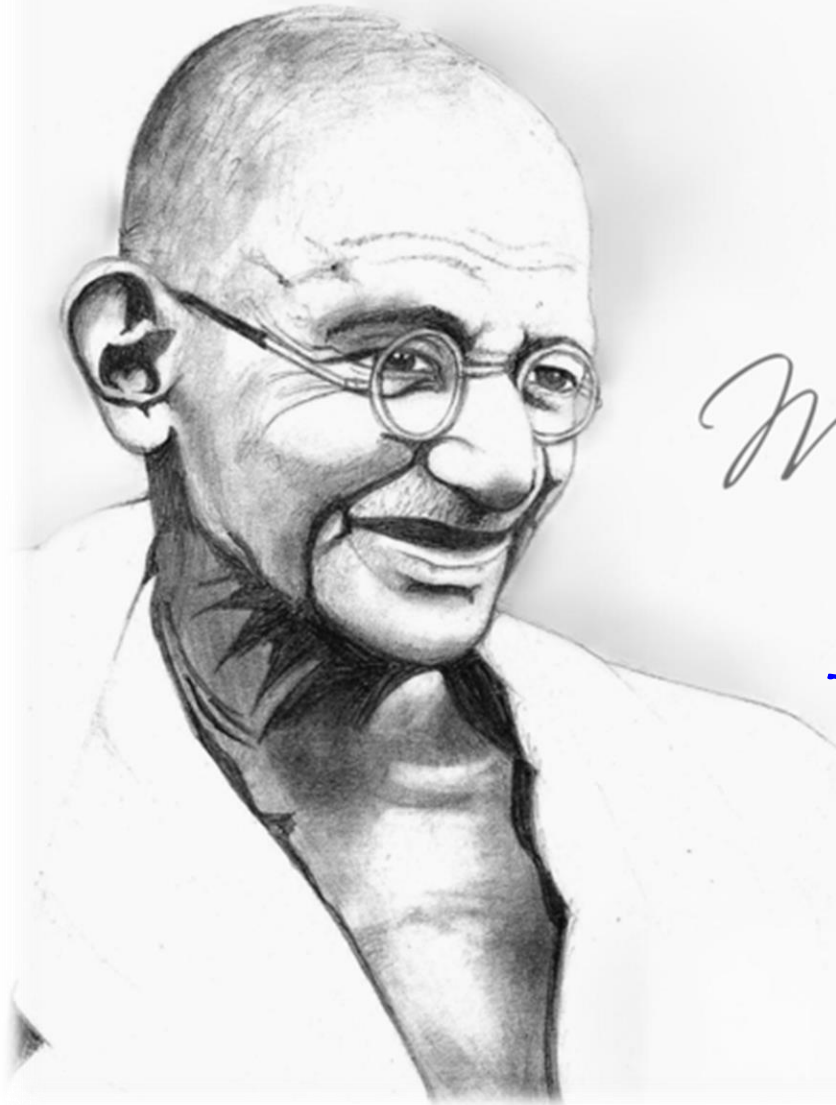

Veterinary Paraprofessional(VPP) Training and education

Activities Carried Out

1. Establish a **Veterinary Education Committee** in FAVA as a **Standing Committee**.
2. Conducting **various meetings** with various organizations engaged in veterinary education
3. Together with AAVS was established the **Joint Education Committee (JEC)** for standardization of veterinary education, accreditation, etc.
4. Together with AVBS holding **webinars and mentoring workshops** for several veterinary education establishments
5. **Exchange guest professors/Lecturers** among universities in veterinary education
6. Developed **Qualities and Competencies** through Undergraduate Veterinary Education
7. FAVA **Education portal** in FAVA Website.
